

October 2019 BoM – Playful Pets

Make either a puppy or a kitty. Use playful colors!

Puppy has embroidered or appliqued eyes and nose.

Puppy is made from nine units:

Cut one background square 4-1/2" x 4-1/2"

Cut four background squares 5" x 5" (for HSTs)

Cut one doggie color square 4-1/2" x 4-1/2"

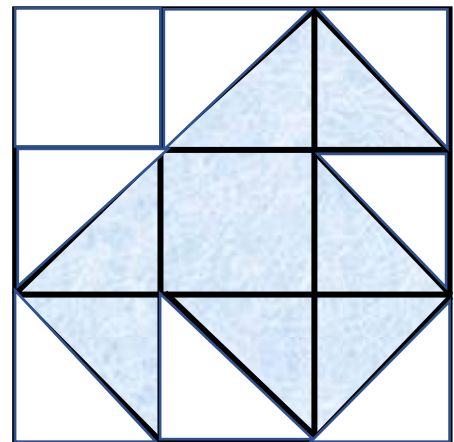

Cut four doggie color squares 5" x 5" (for HSTs)

Pair each background 5" square with a doggie 5" square to make a pair of HSTs. Trim to 4-1/2". This makes eight HSTs. You only need seven.

Arrange as shown. Sew rows and columns together.

Embroider or applique eyes and nose.

Suggestion: Half circles for the eyes, full circle for the nose.
