[Click here for templates B!](#)

## \*\* Preparing the Pieces and Sewing the Block \*\*

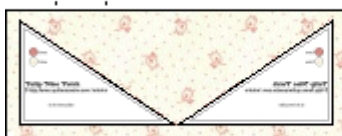

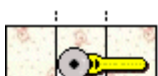

Start by cutting the Color 1 2-1/2" x 10" strip into four 2-1/2" squares. Next use the templates (A) provided to cut two side triangle units from the Color 1 5" x 14-1/2" strip...

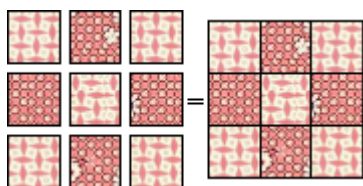

Now cut the Color 2 2-1/2" x 15" strip into six 2-1/2" squares...

Then use the templates (you made from B) to cut two outer triangles from the Color 3 3-1/2" x 26-1/2" strip...

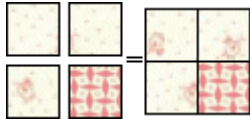

Next cut the Color 4 2-1/2" x 7-1/2" strip into three 2-1/2" squares. Now use the templates (A) provided to cut two side triangle units from the Color 4 5" x 14-1/2" strip. Then use the templates (you made from B) to cut two outer triangles from the Color 4 3-1/2" x 26-1/2" strip...

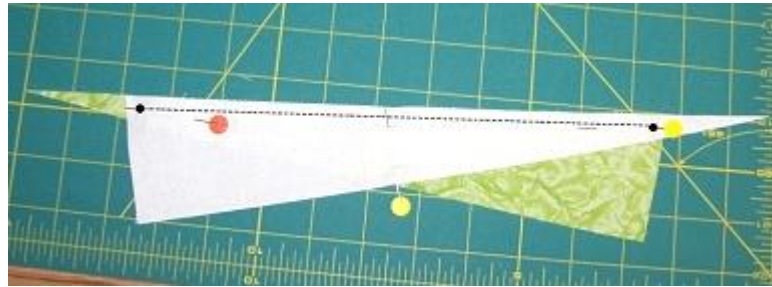

Using a 1/4" seam allowance now and for all the block-making, sew together five Color 2 and four Color 1 2-1/2" squares to make a Nine Patch unit. This should measure 6-1/2" ...on to Page 2!

## Tulip Nine Patch - Page 2

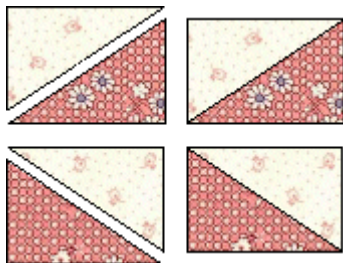

Next sew together three Color 4 and one Color 2  $2\frac{1}{2}$ " squares to make a Four Patch unit. This should measure  $4\frac{1}{2}$ "...

This step is more easily explained with a photo! When sewing together the long pieced side triangles, you need to place the units right sides together, and **LINE UP** the marked dots! Sew between the two dots. Press seams to the darker sides. Trim off the long extending points after the stitching is done. These should measure  $2\frac{1}{2}$ " x  $10\frac{1}{2}$ "...

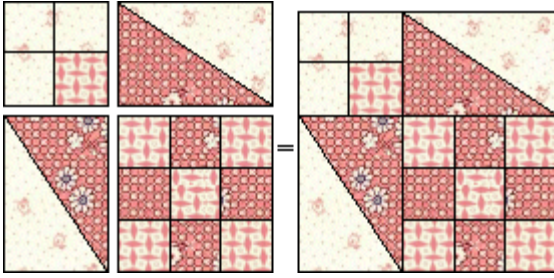

Now back to drawings! Add the Color 3  $2\frac{1}{2}$ " square to the Color 3 end of a pieced rectangle-the one with more Color 3 at right. This unit will later be on the bottom of your block...

Next sew one of each of the two side triangle units shown at left, They should measure  $4\frac{1}{2}$ " x  $6\frac{1}{2}$ "...

Time to piece the block! Sew two horizontal rows, and then join the rows to make the unit shown at left...

...on to Page 3!

## Tulip Nine Patch - Page 3

Now add the right-side outer triangle unit, and lastly add the bottom triangle unit to finish off your block!

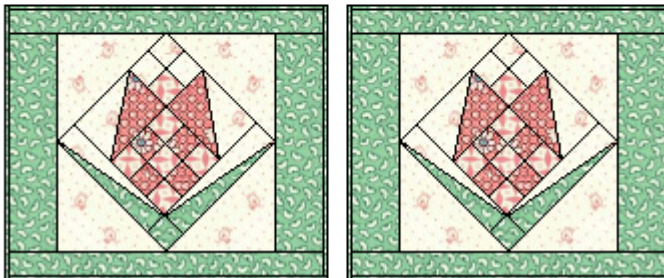

Here's an easy runner with placemats idea!

Happy Quilting Folks!

Marcia :o)

Here's Jeri's!

### **\*\* Supplies List \*\***

Color 1

Color 1 needs: one 2-1/2" x 10" strip AND one 5" x 14-1/2" strip

Color 2

Color 2 needs: one 2-1/2" x 15" strip

Color 3

Color 3 needs: one 2-1/2" square AND one 3-1/2" x 26-1/2" strip

Color 4

Color 4 needs: one 2-1/2" x 7-1/2" strip AND one 5" x 14-1/2" strip AND one 3-1/2" x 26-1/2" strip

**ADD 1/4" seam allowances to each of these!**

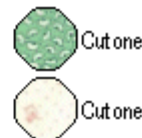

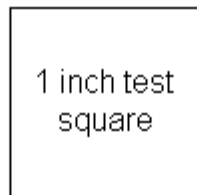

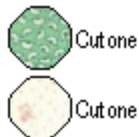

To add seam allowances, cut out these templates, place them on two sheets of paper that have been taped together. Draw small markings 1/4" from the outer lines of the temps. Then connect the lines!

Cut out the new larger triangles and use those to cut fabric units!

{As shown in photo above!}
