Celebrating Our 30th Year 1985-2015

N.Q.A. N.J. Chapter #321

### President's Message

Happy Fall everyone,

Although there are big shoes to fill, following in the footsteps of Jackie P, I am excited to be starting my 11th year with the Guild as your next President! Through the years, I've admired the talent of our members. I am just as amazed at the sisterhood of friends I've gathered. My goal has always been to add my energy to this fun group. I volunteered for Newsletter Editor, then Quilt Show Chair, twice! Then came Web Master, whatever that means...Now President. Looking back, it wasn't that hard.

The challenge I hope you accept is to set your own goals and to include giving your best to make quilts for others especially those in need. Push your own quilting skills further along and start making the next Quilt Show entries, too. For those who no longer quilt, open your hearts to newer members and share your quilt enthusiasm and skills. Now let's get going and share some great quilting memories!

Laurie V.S.

### September Reminder

Please bring in your **Bee Meeting** quilt tops from last season for Show & Tell, even if they are not completely finished. Bring what you have to inspire us.

Also, bring in your **School House Block of the Month**. The house is easy with room to play with the border

### Minutes of June 17, 2016 Meeting

*Jackie. We will always remember your willingness to help us during your Presidency. It takes a very special person to share of herself and always come to our aid. Your example was a wonderful lesson to us all. Please accept our sincere thanks for your exceptional job as President.*

Our meeting came to order at 6:30 p.m. as our President, Jackie P, welcomed all members, new members and visitors. Minutes of the May meeting were approved.

Prior to any further business, we sat down and socialized while feasting on the Pot Luck Buffet dinner and deserts prepared by our members, followed by our annual picture taken by Laurie S.

**Treasurer's Report** - Presented by Ann B. Beginning checkbook balance: \$16,160.60, Total Receipts: \$335.00, Expenses: \$2,277.56, and Ending checkbook balance: \$14,218.04. Treasurer's report was approved.

**Membership** - Dues for membership will be \$30.00 and collected in the months of June, September & October. Directories will be distributed at the November meeting. If you have any changes in your address, phone number or email address please fill out a new form so we have the correct information for the directory.

**Block of the Month** - The blocks were won by Debbie P, and the bonus by Janet P.

There was a great deal of discussion concerning the new BOM for 2016/2017. It was decided that try a theme of Cottages/Houses. Suggestions were offered to personalize the cottages (houses), background fabric, type of house or cottage, size of block, etc. The final decision on a style block will be made after further research by Mary Lou. She will post the pattern on My Grove and email to our members in August with instructions. It will be a 12" finished block with fabric selection of your own. We start August as the 1st block, having a total of 10 blocks with the 10th block donated to the Guild and assembled as a Charity Quilt. Your August blocks should be brought to the September meeting for viewing by members, and so on, for every month thereafter.

**Quilt Block Card Drawing** - Three names were chosen from our monthly quilt cards, rewarded for attendance. The winners were: Erma H, Jane S and JoAnn M.

**Programs** - We must remember from the Treasurer's report that our balance of funds needs to last the next two years. Due to the expense involved there will not be a raffle quilt offered in 2017. The budget for Programs is \$3,500.00 for the year. This includes lectures, workshops and prizes for various personal functions within the guild. Suggestions include: source our programs from quilt shops, attract new people (especially younger groups), bring in past speakers and sponsorship, for lectures, from local businesses.

**PLEASE NOTE:** Be aware that we need volunteers to chair our 2018 Quilt Show. We ask you give this some thought now, as 2017/2018 will be upon us before you know it.

## Minutes of June 17, 2016 Meeting, continued

**Charity Quilts** - Marge announced that we had donated fifty (50) quilts to charity. Among the recipients were Ronald McDonald House, Deborah, House of Hope, Cystic Fibrosis, K. Hovnanian Children's Hospital at Jersey Shore University, Community Refuge Haitian Church of God, Elks Club, and Providence House. The Charity Quilt draw was won by Mary P.

**Show & Tell** - Our Guild members once again demonstrated all the talent that exists within our guild. Their creativity and attention to detail definitely shines.

On a lighter note, Paula presented Jackie with a very personal gift for all her help during the course of her presidency. It was a manuscript of **only** 50% of all her emails sent by Jackie. She couldn't print them all because there just wasn't any more room.

Jackie turned over the gavel to our new President, Laurie S. Laurie discussed MyGrove and how it can be used to communicate and share photos, videos and ideas with Beachplum members. MyGrove also offers a public outreach to fellow quilters. Each of our members has an option to sign up or decline. It encourages our members to share and connect often and with one another privately.

Respectively submitted by:  
Gloria Squicciarini

### Membership Dues

# PROGRAMS

Welcome back Beachplum Quilters. Hope everyone had an enjoyable summer. After having all the fun in the sun, lounging around by the pool or beach, sipping pina colodas (or the drink of your choice). it's now time to get back to quilting. Following is a line-up of our upcoming programs.

[September 16th](#) - We begin with our Pizza Party dinner. Now who doesn't like pizza?

[October 21](#) - Vickie Mathas will present a lecture "Mixing It Up," showcasing eight different techniques: flower pounding, oil paint sticks, needle felting and needle punching just to name a few. Her October 22nd workshop will consist of two parts; first technique followed by pounding. All using free motion quilting to create unique textured surface designs that you can be proud to show.

[November 18](#) - Our Make-N-Take will be quilted Christmas ornaments. I will bring samples to the September meeting, include a Star and Pine Cone ornament. They are very lovely and fabric prep work will be necessary prior to the meeting in November. These would make great Christmas gifts or could be used to adorn a special gift.

[December 16](#) - Our Holiday Pot Luck Dinner. Rather than the usual ugly sweatshirt/sweater why not have a competition of the prettiest? To be discussed further.

[January 20](#) - Yea! for Quilto, quilters' favorite game! And let's not forget the great prizes.

[February 17](#) - We will have a lecture by our very own, Connie S. She will perform a "One Woman Show" as she narrates, as well as, acts out true stories of our foremothers, and their quilts from colonial times to the present. This sounds absolutely wonderful.

[March 17](#) - "Beachplum Quilters Collage". Following our meeting we will break up into several stations with our Members demonstrating their various techniques. This was done at our Quilt Show and was very successful.

[April 21](#) - Under construction. To be announced.

[May 19](#) - Lecture given by Maria Sendzik entitled "Fabric Calls My Name". To make a quilt "sing" she will demonstrate proper fabric choices when applied to Stack-N-Whack, One Block Wonders and Bargello. The following Saturday, May 20th, Maria will present a pattern-less Stack-N-Whack workshop.

[June 16](#) - We will have our summer farewell pot luck dinner and installation of officers.

Now go easy on me ladies, this is my first year as your Programs Chair. I've been working hard during the summer to bring speakers and workshops for this season, as well as, the 2017/2018 season. If you have any suggestions for future programs please see me or send me an email. I need all the help I can get. I will be needing volunteers for our March meeting. Do you have a specific technique that you would like to demonstrate? **Just say yes, it really is that easy.** I'll be the first to volunteer, by demonstrating various binding techniques. **Now it's your turn!**

## Block of the Month

June 2016

### *BOM 2016-2017*

We will be presenting another fun packed year of new and exciting 12 inch blocks (finished).

A Bonnie Hunter pattern, "Happy Scrappy House" has been obtained and permission has been granted by Bonnie Hunter to use. A PDF file inclusive of all instructions for making this scrappy house will be provided along with some picture instructions for the house block (which is 8 ½ inches) plus a border (which will make it 12 inches). The same cottage pattern will be used every month.

Each month will bring a fun challenge to piece the block using the theme specified for that month, as referenced in the chart below. Your house/cottage should be embellished however you want using the background fabric of your choice and fabrics of your choice. These will be your cottages for the "Showcase of Cottages" challenge in June.

Each meeting your block will be presented with the other blocks and you will take it home at the end of the meeting. Make sure you have your name on the block.

IF YOU HAVE ANY QUESTIONS PLEASE CALL Mary Lou GB (732-7139057) or Pat McC (908-902-0151). Below is the list of each month's cottage theme and good luck in creating the best of show for the "Showcase of Cottages".
