

3. Fold caddy in half, right sides together, meeting 27" sides. Stitch 1/2" side seams.

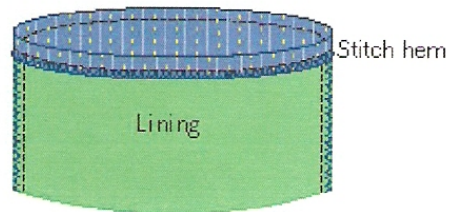

4. Form gussets at the lower edge to shape the bottom of the caddy.

- At lower corner, fold the fabric so the side seam stacks on top of the center fold line, forming a triangle.
- Stitch across the triangle 1-1/2" from the point, sewing perpendicular to the seam.

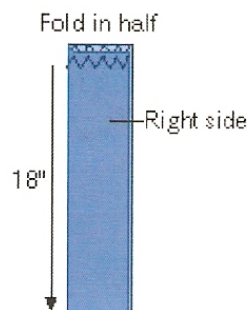

- Repeat on opposite corner. Optional: Trim seams; serge or zigzag to prevent raveling.

5. Fold under 3/4" at upper edge of caddy. Machine stitch hem.

6. Prepare ties.

- Serge or zigzag short ends of each tie.
- Fold each tie in half, meeting lengthwise edges; finger press.

- Open each tie; meet lengthwise edges to the center crease.
