

- Fold tie in half meeting lengthwise edges. Edgestitch short ends and lengthwise edge.

#### 7. Attach the ties.

- Fold each tie in half meeting short ends to identify the center.
- Place one tie at each end seam with its center positioned in the hem. Stitch across the center several times to secure each tie.
- Measure 8" from each seam. Position and stitch the remaining two ties in place.

- Meet ends of ties, folding ties away from the caddy.

#### 8. Stitch pockets.

- Meet hemmed edges of the caddy, positioning a seam at each end.
- Mark a straight line from the two inner ties to the bottom fold.
- Stitch from ties to bottom fold forming three pockets. Be sure to keep ties on outside of caddy, away from stitching.
