COUNTRYSIDE STAR

Where does one block end and another begin? This delightful piecing puzzle is really quite simple to construct with easy-to-make blocks. Quick strip-piecing methods with short strips make easy work of the Strip-Pieced blocks. Choose subdued cream and green prints for the blocks and bolder greens for the leaves. The graceful appliqué nicely frames the bold stars in the quilt center. Use an accurate $\frac{1}{4}$ " seam allowance for all the piecing so the various parts fit together well.

Designed by Ann Weber; machine quilted by Cheryl Kotecki
of Reems Creek Creative Quilting
