

Fabric Ball Ornament

Materials:

- Styrofoam ball (3" diameter or whatever you have on hand)
- 20-30 squares of fabric (Try 2" squares, optionally cut with pinking shears)
- Ribbon for hanging

Tools:

- Wooden skewer or dowel or awl or something similar to push fabric into ball. (Sharp pencil might work)
- Craft glue or hot glue gun or pin to attach ribbon (we will have a glue gun station at the meeting)

Instructions:

1. Using a skewer, push the center of the fabric square into the ball about halfway

2. Repeat all the way around, until the ball is covered.
3. Glue or pin a ribbon to the top.

Enjoy!
